HEV

Introduction : why EV?	Why EV? Why HEV? Why PHEV? Hybridisation Ratio Architectures of HEV Comparison of IC & EV	04th October (07:10-08:10)
Batteries	Battery Parameters Lithium Batteries Metal- Air Batteries Hybrid Batteries Super- Capacitors Comparison b/w Hybrid batteries & super-capacitors C-rates	06th October (07:10-08:10) 07th October (07:10-08:10)
Advanced Sketching Techniques	Dynamic Car Angles Speed Form Sketching Marker Rendering Basics Light Reflection Techniques Advanced Perspective Concepts Design Detailing	08th October (07:10-08:10) 09th October (07:10-08:10)
Interior Car Design	Dashboard Layout Design Steering & Control Placement Seating Ergonomics Cabin Space Planning User Comfort Design Luxury Interior Concepts	11th October (07:10-08:10) 12th October (07:10-08:10)
Exterior Body Design	• Front Grill Styling • Headlight & Taillight Design • Door & Window Design • Aerodynamic Curves • Body Surface Flow • Vehicle Branding Elements	14th October (07:10-08:10) 15th October (07:10-08:10)
Electric Vehicle Design	• EV Design Fundamentals • Battery Placement Concepts • Lightweight Vehicle Design • Sustainable Materials • Smart Mobility Features • EV Future Trends	19th October (07:10-08:10) 22th October (07:10-08:10)

Concept Rendering & Visualization	Digital Rendering Basics Color & Texture Rendering Shadow & Reflection Effects Presentation Techniques Visualization Workflow Design Enhancement Methods	24th October (07:10-08:10) 27th October (07:10-08:10)
Automotive Innovation & Future Trends	Autonomous Vehicle Concepts AI in Automobile Design Smart Vehicle Features Hypercar Design Concepts Sustainable Transportation Future Industry Opportunities	30th October (07:10-08:10)
Industry Workflow & Portfolio Building	Automotive Design Workflow Industry Design Standards Portfolio Structuring Project Documentation Design Presentation Skills Career Path Guidance	01st November (07:10-08:10)
Automotive Design Case Studies	Analysis of Iconic Vehicle Designs Design Success & Failure Stories Brand Design Identity Evolution of Modern Car Styling Consumer Preferences in Vehicle Design Lessons from Global Automotive Brands	02nd November (07:10-08:10)
